Dear Parents,

Welcome to Happy Valley School! Our one school district was formed in 1864 and offers the unique opportunity for our staff, students, parents and community members to work together in a small and nurturing environment that gives individual attention and individualized instruction.

Parents are always welcome at Happy Valley School. Our goal is to provide a school experience that focuses on each child's social, physical and emotional development while providing a stimulating and enriched integrated curriculum.

This handbook is designed to share information, procedures and expectations which will familiarize you with Happy Valley School.

If you have any questions or concerns about school rules, policies or procedures, please let us know. The staff and I encourage your involvement.

Sincerely,

Michelle McKinny  
Superintendent/Principal

# Partnership in Education

## Board of Trustees

The Board of Trustees' primary function is to make policy and carry out the business of the school. The Board consists of 5 residents of the Happy Valley School boundaries. Each have a four year term.

Regular School Board Meetings are held monthly. All meetings are held in the library at school. Occasionally, as needed, additional meetings are scheduled. Agendas are posted in the school office window 72 hours before each regular meeting and 24 hours before each special meeting. Agendas and Board minutes are posted on our website. Hard copies are available in the office. The Board meeting schedule is posted on our website.

## School Site Council

The School Site Council is composed of representatives from the school staff and parents or other community members.

The School Site Council develops a comprehensive LCAP and has on-going responsibility to review the implementation of the LCAP program and to assess its effectiveness. .

An annual parent questionnaire ensures that the entire school community has input into determining those educational needs and priorities.

Meetings are held monthly at 3:15pm. Parents are welcome and encouraged to attend. For more information about the School Site Council feel free to contact School Site Council members or call the school office.

## HVS Parent Club

The Parents Club is an organization that sponsors many school wide activities throughout the school year. The purpose of the Parents Club is to foster a stronger sense of community by bringing families together outside of the daily school schedule. Many Parents Club events are fundraisers and all monies are channeled back into school projects. As a Happy Valley School parent you are a member and are encouraged to attend the meetings which are announced through notes home and notices on the blackboard in the parking lot.

## Parents

You, the parents, are the key to your child's success. You help your child by giving praise and encouragement whenever possible, visiting the classroom, attending scheduled conferences, reading notes sent home, phoning the office to report all absences, keeping your child home when he/she doesn't feel well and accepting and loving your child just as he/she is.

# Communications

Good communications are the hallmark of any successful relationship. At Happy Valley School, we strive to maintain open lines of communication. We try to keep the community informed and hope all our community members will feel comfortable communicating their concerns. The following information and guidelines will help us all in our efforts to be open and positive in our communications.

## Parent Conferences

At the end of the first report period, in November, each teacher schedules a conference with the parent(s) of each student. At this conference, the teacher reports on the student's progress toward the curriculum goals for that grade level and his/her social and emotional adjustment to school. This is an opportunity to ask questions, set goals for your child and clarify your role in meeting those goals.

## Report Cards

The parent/teacher conference provides a report of progress in November. Thereafter, report cards are sent home in March and June. Report cards consist of a report on your child's academic and social/emotional progress and samples of your child's work during the report period.

## Back To School Night/Open House

Back to School Night occurs during the month of September of each school year. Each teacher gives a presentation outlining the curriculum goals for the new school year, explaining his/her disciplinary procedures, expectations for homework and class work, as well as the grading procedures and daily schedule of lessons and activities. Open House is held in Spring featuring class projects.

## News and Notes

Numerous notes are sent home with your child on a regular basis informing you of upcoming events or reminding you of special procedures. These notes are important and your help in reminding your child of his/her responsibility in getting them home is appreciated. In an effort to be green, most correspondence will be sent home via e-mail. If this doesn't work for you, please contact the office. All teachers utilize Remind 101, an automated notification system through text.

## Parent List

A Happy Valley School Parent List is sent home annually shortly after the beginning of the school year. It includes student names, parent names, addresses, phone numbers, grade and teacher's name for each student. Your family WILL be listed unless the office is notified otherwise.

## Teachers

Should you have concerns or questions about how your child is doing in school, classroom procedures, homework, grade level expectations or specific curriculum, talk to your child's teacher. As your child's primary educator, you can be a valuable resource for the teacher in assessing your child's progress, and likewise, the teacher can help you understand your child's progress in his/her "home away from home".

The best way to contact a teacher is e-mail or send a note with your child requesting an appointment. The teacher can then contact you to set up an appointment at a time convenient for both of you. Preparation time before school and break times are precious for our staff, so please be respectful of their time and their need to prepare to teach our children.

## Superintendent/Principal

The administrator is the person to talk to about policies and procedures. In addition, should there be some concern which you feel may not have been thoroughly addressed in communications with your child's teacher, the administrator is the next stop.

The administrator is vitally interested in parent input regarding any and all school concerns. Please feel free to call, write, make an appointment for a conference or just drop in to talk.

# Procedures

## Recess

The entire school has outdoor recess at the same time, affording children the chance to see friends from other classes. We assign two adults on yard duty per recess for supervision. During recess children should use the playground equipment properly, notify the yard duty person when anyone is injured and remember that inappropriate behavior such as rough play or fighting will be reported by the yard duty person to the classroom teacher and/or principal, who will decide the corrective action to be taken.

## Happy Valley School Code of Conduct

At Happy Valley School we strive to create a learning environment based on mutual respect and understanding where everyone feels safe and happy. We expect everyone in our school community to observe the following Code of Conduct:

1. Listen to others attentively with your ears, your eyes, and your heart.
2. Respectfully follow directions the first time they are given. Ignoring requests or arguing with teachers or other adults is not acceptable behavior.
3. Everyone likes to play. Take turns, include everyone, and be kind to each other.
4. Always be polite and use good manners. Do not interrupt conversations. Remember to say please, thank you, and excuse me whenever appropriate.
5. Respect everyone's feelings and differences by being respectful with your words. Swearing and rude talk towards others are prohibited. Teasing, name-calling and put-downs are hurtful, and are not allowed.
6. Respect everyone's personal space. Pushing, bumping into others, or other rough physical contact is not permitted.

7. Respect everyone's right to feel safe at school. Hitting, fighting, or threatening someone is not allowed.

8. Respect the property of the school and others. Always turn in lost items to the office.

9. No weapons (including pocketknives) of any kind are allowed on the school grounds.

Adopted by the HVS Board of Trustees 12/13/04  
Also included in Attachment A

## Campus Visitors

All visitors MUST sign in at the office and receive a name tag.

## Suspension/Expulsion

A student may be suspended from school for a period of time up to five school days for offenses listed under Ed Code Section 48900. A complete listing of these offenses is provided in Attachment B at the end of this Parent Handbook. The parent/guardian has a right to request a hearing with the Superintendent/designee in order to appeal a suspension. Every effort will be made to hold a conference with the parent/guardian prior to the beginning of a student's suspension. Serious offenses may result in a recommendation for expulsion and a formal hearing process.

## Bicycle Policy

Riding bicycles to school is discouraged for safety reasons. Bikes ridden to school are only allowed for students in grades 4th-6th. If you want your child to ride a bike to school, please see Ms. McKinny.

## Problems and Concerns

Students with a problem or a concern should tell their parents, their teacher or any adult at school. The classroom teacher is usually the closest to understanding and knowing each student the best. All of us want to know when students have a question or are worried about something. We will try to listen and help to work out the problem. Students should also tell their parents when we solve a problem at school.

Parents should contact the child's teacher if the problem remains unresolved or if they have questions or concerns.

## Birthdays and Parties

Class parties are periodically planned by teachers with the help of class parents. Occasions such as holidays or a special class achievement are often celebrated.

We do not allow children to pass out invitations to birthday parties at school. Children who bring invitations to be passed out will have them returned home intact. This activity detracts from the business of school and hurts feelings. However, these restrictions will be waived if the whole class is invited to the party because the party includes everybody and builds a sense of community. Please let the teacher know in advance so a time can be set aside to hand out invitations.

Everyone loves a party and student birthdays can be recognized! If your child would like to send a treat to school in honor of his or her birthday, please notify the teacher in advance. Please provide as healthy a treat as possible. Be considerate of any children in your child's class with allergies by providing something for that student, also.

Another nice way to honor your child on his/her birthday is to donate a birthday book to the school library. It is suggested that you call the school office prior to the purchase in order to select a book that is not already in our library or send a cash donation and the librarian will make the selection.

## Registration

A child may enter kindergarten at the beginning of a school year if he/she is five years old by September 1 of that school year.

Birth certificates (for kindergarten registration) and

immunization records must be shown at the time of registration.

The following are the state's minimum requirements for immunization before a child will be allowed to enter school (grades K-12).

Polio—4 doses, but 3 doses if last dose was given on or after the 4th birthday  
Diphtheria, Tetanus and Pertussis (DTP)—5 doses, but 4 doses if last dose was given on or after 4th birthday.  
Measles, Rubella, Mumps (MMR)—2 doses of measles, both on or after first birthday, and at least one dose of mumps and rubella  
Hepatitis B—3 doses  
Varicella—1 dose or doctor documentation of disease history.

### New Law- SB 277

Under the new law known as SB 277, exemptions based on personal beliefs will no longer be an option. Personal belief exceptions filed before January 1, 2016 will remain valid, until your student reaches the next immunization checkpoint, which is 7th grade. You may also want to visit [www.shotsforschools.org](http://www.shotsforschools.org) for additional information.

## School Hours

Kindergarten

12:45pm—1:15pm

## Attendance Policies

### Absences Due to Illness

The state no longer provides funding for absences due to illness. In times of such tight budget constraints loss of dollars is a real hardship on our little district.

Please call the office to report your child's absence THE DAY YOUR CHILD IS ABSENT. Ed. Code 48205, states: Students absent from school for any excusable reason, shall be allowed to complete all assignments and tests...the tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence.

### Tardies

Students need to arrive at school on time. Students who arrive late disrupt their classroom and have a hard time settling in for the school day. Five minutes late every day equals 3 days of absence per year. Chronic tardies and absences will result in a meeting with superintendent and possibly SARB(student attendance review board) referral. Please make sure to check your child in at the office when they are more than five minutes late to school.

### Early Departures

Should you need to take your child out of class before the end of the school day, you must sign him/her out in the school office. Advance notice of any early departure is always appreciated by the classroom teacher.

## Phone Calls to Office

Please try to make after school child care and carpool arrangements before your child arrives at school. Please do not call the office regarding playdate pick ups. Your help in this area will greatly reduce the number of incoming and outgoing phone calls in the office each day. Because staff is limited in front office, there is no guarantee last minute messages can get to your child.

## Lost and Found

Mark your child's clothing with his/her name. Lost and found clothes are placed on the clothing rack in front of the office. Please check it regularly. Unclaimed clothing will be donated to charity 3 to 4 times per year.

## Calendar

The calendar is determined yearly by board action. Each family will receive a copy of the calendar in August. All holidays, vacations and staff inservice days are noted. Please use the calendar to plan any necessary child care and family vacations.

## Medication at School

We are always happy to help administer short or long term medication to students. All medications are to remain in the original container, labeled with the physician's instructions and must be kept in the school office. A note signed by the parent must accompany the medication stating the student's name, dosage and time to be given. No non-prescribed medication will be given.

Absolutely no medication is to be kept in a student's back pack, lunch box or pocket. This is to protect your child and other children from accidentally misusing medications.

## Illness at School

Parents will be called to come pick up their child should he/she become ill or injured during school. Please be sure the office has current work phone numbers for both parents. If we are unable to reach either parent we will call emergency numbers you have provided on the Student Enrollment Card. Please keep this information up to date.

# Complaints--School Personnel

In order to promote fair and constructive communication the Happy Valley School Board has adopted the following procedures to resolve complaints concerning school personnel. Every effort should be made to resolve a complaint at the earliest possible stage.

1. Complaints concerning school personnel should be made directly by the complainant to the person against whom the complaint is lodged. Parents/guardians are encouraged to attempt to orally resolve concerns with the staff member personally.
2. If the complaint is not resolved at this level, the complainant may submit the complaint in writing to the school administrator. When necessary, district administration shall assist in the preparation of the written complaint so as to meet the requirement of this regulation. The administrative staff shall inform the complainant that such assistance is available if he/she is unable to prepare the written complaint without help.

A written complaint must include the name of each employee involved and a brief but specific summary of the complaint and the facts surrounding it. It must also include a specific description of a prior attempt to discuss the complaint with the employee involved and the failure to resolve the matter.

The administrator is responsible for investigating complaints and will attempt to resolve the complaint to the satisfaction of the person(s) involved. If the complaint is resolved, the administrator will so advise all concerned parties.

3. If the complaint remains unresolved after review, the administrator shall prepare a report and analysis of the situation that includes a written decision concerning the complaint. Complainants should consider and accept the administrator's decision as final. However, the complainant, the employee or administrator may ask to address the Governing Board regarding the complaint.
4. All written complaints regarding the district personnel other than administrators shall be initially filed with the administrator. If the written complaint concerns the administrator it shall be initially filed with the Governing Board.
5. Except when a complaint is directed against the administrator, no party to a complaint may address the Governing Board, either in closed or open session, unless the Board has received the administrator's written report concerning the complaint. The administrator's report shall contain, but not be limited to:

- a. The name of each employee involved.
- b. A brief but specific summary of the complaint and the facts surrounding it, sufficient to inform the Governing Board and the employee(s) as to the precise nature of the complaint and to allow the employee(s) to prepare a defense.
- c. A copy of the signed original complaint.
- d. A summary of the action taken by the administrator with his/her specific finding that disposition of the case at the administrator's level has not been possible and the reasons why.

All parties to a complaint, including the school administration, may be asked to attend a Governing Board meeting or part of such meeting for the purpose of presenting all available evidence and allowing every opportunity for explaining and clarifying the issue.

Complaints concerning an employee shall be addressed in a closed session of the Governing Board unless the employee requests that the issue be addressed in open session. (cf. 9321—Closed Sessions)

NOTE: The Governing Board should make sure that complaints heard in Closed Session are indeed complaints against an employee, not against district practice or procedures.

The decision of the Governing Board following the hearing shall be final.

## Williams Uniform Complaint Procedures

### Notice to Parents/Guardians: Complaint Rights

Parents/Guardians: Education Code 35186 requires that the following notice be posted in your child's classroom:

1. There should be sufficient textbooks and instructional materials. For there to be sufficient textbooks and instructional materials, each student, including English learners, must have a textbook or instructional material, or both, to use in class and to take home to complete required homework assignments.
2. School facilities must be clean, safe, and maintained in good repair. Good repair means that the facility is maintained in a manner that assures that it is clean, safe and functional as determined by the Office of Public School Construction.
3. To file a complaint regarding the above matters, complaint forms can be obtained at the principal's office, district office, or can be downloaded from the school district's or California Department of Education's website.

# Uniform Complaint Procedures

## General Information

School districts are required to have uniform complaint procedures in place for the purpose of addressing complaints alleging unlawful discrimination based on age, sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability in any program or activity that receives or benefits from state financial assistance. Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs.

The Happy Valley Elementary School District is primarily responsible for compliance with federal and state laws and regulations governing all of the subjects listed above. If anyone has a complaint alleging discrimination based on any of the areas listed in the first paragraph the person must file the complaint in writing with Happy Valley Superintendent/Principal, Michelle McKinny. Complaints must be initiated not later than six months from the date the alleged discrimination occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination. The review of the complaint will be completed within sixty calendar days, and the person filing the complaint will receive a written report of the district's investigation and decision. The complainant has a right to appeal the school district's decision to the California Department of Education within 15 days of receiving the school district's written decision.

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

The Happy Valley Board of Trustees recently adopted an updated Board Policy and Administrative Regulations for Uniform Complaint Procedures. If you would like to obtain a copy of the policy and regulations, or, if you have any questions regarding UCP, please contact the Happy Valley School office.

## Homework Expectations

The Governing Board recognizes that homework contributes toward building responsibility, self-discipline and life-long learning habits, and that time spent on homework directly influences students' ability to meet the district's academic standards. The Board expects students, parents/guardians and staff to view homework as a routine and important part of a student's daily life.

Consistent throughout the K-6 levels is a requirement to read, or be read to on a daily basis (Monday through Thursday) or weekly basis. The classroom teacher will inform parents of their homework practices and procedures within the first few weeks of each school year.

Parent involvement, especially with primary level students (K-3), is strongly encouraged. At any level, when a parent is interested and involved, homework can become a common goal, a time to work together and offer the individual instruction not always available at school. Taking an active role lets the child know that the parents/guardians consider the work important.

## Dress Code

1. Shoes must be worn at all times. No flip flops for P.E.
2. Clothes shall be sufficient to conceal undergarments at all times. See through or fishnet fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid thigh are prohibited.

## Emergencies

An emergency can generally be defined as a situation where it is either unsafe or not possible to get children home from school because of earthquake, falling aircraft, explosion, severe power failure, falling trees, snow and/or rain which make roads impassable.

### At School

Staff will remain at school until all children are released to go home or to emergency homes. No child will be released, including walkers, until it is safe to do so. Teachers will be responsible for accounting for each child in his/her class. If school buildings are unsafe to occupy, children will be assembled by class in open outdoor areas. The aid of the fire and sheriff departments will be immediately sought. First aid and emergency care will be given. All staff members are certified in first aid and CPR.

### En Route to School

In case of earthquake or other similar emergency, children are to stay with car pool drivers until the driver is able to safely deliver children to school or parents. If students are walking to or from school they should follow the "duck, cover and hold" procedure and after the earthquake or similar emergency continue on to their destination.

### How You Can Help

Discuss this information thoroughly with your child. Make certain the school has your correct address and phone number (including work numbers). Keep this information up to date in the school office. Keep your telephone line open. The school will contact you as soon as possible. Tune in to Radio Station KSCO (1080am on the dial) for emergency announcements. Practice "duck, cover and hold" in your home.

# Happy Valley School Code of Conduct

At Happy Valley School we strive to create a learning environment based on mutual respect and understanding where everyone feels safe and happy. We expect everyone in our school community to observe the following Code of Conduct:

1. Listen to others attentively with your ears, your eyes, and your heart.
2. Respectfully follow directions the first time they are given. Ignoring requests or arguing with teachers or other adults is not acceptable behavior.
3. Everyone likes to play. Take turns, include everyone, and be kind to each other.
4. Always be polite and use good manners. Do not interrupt conversations. Remember to say please, thank you, and excuse me whenever appropriate.
5. Respect everyone's feelings and differences by being respectful with your words. Swearing and rude talk towards others are prohibited. Teasing, name-calling and put-downs are hurtful, and are not allowed.
6. Respect everyone's personal space. Pushing, bumping into others, or other rough physical contact is not permitted.
7. Respect everyone's right to feel safe at school. Hitting, fighting, or threatening someone is not allowed.
8. Respect the property of the school and others. Always turn in lost items to the office.
9. Use the conflict resolution strategies you have learned when a disagreement or a problem happens.
10. No weapons (including pocketknives) of any kind are allowed on the school grounds.

### FIELD TRIP SUPERVISION GUIDELINES

1. You are responsible for the safety, learning, and enjoyment of the children in your assigned group. Please do your best to focus on the children. Keep them safe at all times, help keep them engaged in the activity, and talk to them about what they are experiencing/learning.
2. Always stay with the children that are assigned to you. Even if one of the children in your group wants to be with a buddy in another group, you must be close to, and watch all the children in your group. Do not let children wander more than a few feet from you.
3. Please ensure that all children of your group are behaving appropriately, using manners, and are following rules at the field trip location. If you have any behavior issues with a child in your group, contact the teacher immediately for support.
4. Please use cell phones only in an emergency.
5. Please follow and respect any rules or agreements regarding the particular field trip on which you are going. (Example: If children are not allowed to purchase snacks or souvenirs please do not buy treats or allow children to buy anything on the trip. Please do not allow students to purchase toy weapons or other inappropriate items.)
6. RESTROOM GUIDELINES: Your entire group must be escorted to the restroom, even if only one student needs to go. Check the restroom before children enter to make sure it is safe. Try to keep an eye on the children inside while you are with the children outside. (Remind children to use the bathroom before they leave school.)
7. Alcohol, tobacco or any illegal substances are not permitted on any field trip.
8. Participation in a field trip is limited to HVS students enrolled in the classroom going on the field trip. Younger and/or older siblings are not allowed to go on field trips.
9. Please have fun and enjoy this special learning experience with the students of Happy Valley School!

Thank you for your participation and help. You make it possible for us to provide valuable field trip experiences.
