Dear Parents,

Welcome to Happy Valley School! Our one school district was formed in 1864 and offers the unique opportunity for our staff, students, parents and community members to work together in a small and nurturing environment that gives individual attention and individualized instruction.

Parents are always welcome at Happy Valley School. Our goal is to provide a school experience that focuses on each child's social, physical and emotional development while providing a stimulating and enriched integrated curriculum.

This handbook is designed to share information, procedures and expectations which will familiarize you with Happy Valley School.

If you have any questions or concerns about school rules, policies or procedures, please let us know. The staff and I encourage your involvement.

Sincerely,

Michelle McKinny
Superintendent/Principal

Partnership in Education

Board of Trustees

The Board of Trustees' primary function is to make policy and carry out the business of the school. The Board consists of 5 residents of the Happy Valley School boundaries. Each have a four year term.

Regular School Board Meetings are held monthly. All meetings are held in the library at school. Occasionally, as needed, additional meetings are scheduled. Agendas are posted in the school office window 72 hours before each regular meeting and 24 hours before each special meeting. Agendas and Board minutes are posted on our website. Hard copies are available in the office. The Board meeting schedule is posted on our website.

School Site Council

The School Site Council is composed of representatives from the school staff and parents or other community members.

The School Site Council develops a comprehensive LCAP and has on-going responsibility to review the implementation of the LCAP program and to assess its effectiveness. .

An annual parent questionnaire ensures that the entire school community has input into determining those educational needs and priorities.

Meetings are held every other month at 3:15pm. Parents are welcome and encouraged to attend. For more information about the School Site Council feel free to contact School Site Council members or call the school office.

HVS Parent Club

The Parents Club is an organization that sponsors many school wide activities throughout the school year. The purpose of the Parents Club is to foster a stronger sense of community by bringing families together outside of the daily school schedule. Many Parents Club events are fundraisers and all monies are channeled back into school projects. As a Happy Valley School parent you are a member and are encouraged to attend the meetings which are announced through notes home and notices on the blackboard in the parking lot.

Parents

You, the parents, are the key to your child's success. You help your child by giving praise and encouragement whenever possible, visiting the classroom, attending scheduled conferences, reading notes sent home, phoning the office to report all absences, keeping your child home when he/she doesn't feel well and accepting and loving your child just as he/she is.

Communications

Good communications are the hallmark of any successful relationship. At Happy Valley School, we strive to maintain open lines of communication. We try to keep the community informed and hope all our community members will feel comfortable communicating their concerns. The following information and guidelines will help us all in our efforts to be open and positive in our communications.

Parent Conferences

At the end of the first report period, in November, each teacher schedules a conference with the parent(s) of each student. At this conference, the teacher reports on the student's progress toward the curriculum goals for that grade level and his/her social and emotional adjustment to school. This is an opportunity to ask questions, set goals for your child and clarify your role in meeting those goals.

Report Cards

The parent/teacher conference provides a report of progress in November. Thereafter, report cards are sent home in March and June. Report cards consist of a report on your child's academic and social/emotional progress and samples of your child's work during the report period.

Back To School Night/Open House

In September HVS has a Back to School Night. This event is for parents only. Each teacher gives a presentation outlining the curriculum goals for the new school year, explaining his/her disciplinary procedures, expectations for homework and class work, as well as the grading procedures and daily schedule of lessons and activities. In the Spring HVS has an open house. All families are invited to visit classrooms and see samples of the children's work.

News and Notes

Numerous notes are sent home with your child on a regular basis informing you of upcoming events or reminding you of special procedures. These notes are important and your help in reminding your child of his/her responsibility in getting them home is appreciated. In an effort to be green, most correspondence will be sent home via e-mail. If this doesn't work for you, please contact the office. All teachers utilize class Dojo.

Parent List

A Happy Valley School Parent List is sent home annually shortly after the beginning of the school year. It includes student names, parent names, addresses, phone numbers, grade and teacher's name for each student. Your family WILL be listed unless the office is notified otherwise.

Teachers

Should you have concerns or questions about how your child is doing in school, classroom procedures, homework, grade level expectations or specific curriculum, talk to your child's teacher. As your child's primary educator, you can be a valuable resource for the teacher in assessing your child's progress, and likewise, the teacher can help you understand your child's progress in his/her "home away from home".

The best way to contact a teacher is e-mail or send a note with your child requesting an appointment. The teacher can then contact you to set up an appointment at a time convenient for both of you. Preparation time before school and break times are precious for our staff, so please be respectful of their time and their need to prepare to teach our children.

Superintendent/Principal

The administrator is the person to talk to about policies and procedures. In addition, should there be some concern which you feel may not have been thoroughly addressed in communications with your child's teacher, the administrator is the next stop.

The administrator is vitally interested in parent input regarding any and all school concerns. Please feel free to call, write, make an appointment for a conference or meeting.

Procedures

Recess

The entire school has outdoor recess at the same time, affording children the chance to see friends from other classes. We assign two adults on yard duty per recess for supervision. During recess children should use the playground equipment properly, notify the yard duty person when anyone is injured and remember that inappropriate behavior such as rough play or fighting will be reported by the yard duty person to the classroom teacher and/or principal, who will decide the corrective action to be taken.

Happy Valley School Bullying Policy BP 5131.2

The Board of Trustees recognizes the harmful effects of bullying on student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. District employees shall establish student safety as high priority and shall not tolerate bullying of any student.

To the extent possible, the district shall focus on the prevention of bullying by establishing clear rules for student conduct and implementing strategies to promote a positive, collective school climate.

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings that promote social emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills and appropriate online behavior.

Campus Visitors

All visitors **MUST** sign in at the office and receive a name tag.

Suspension/Expulsion

A student may be suspended from school for a period of time up to five school days for offenses listed under Ed Code Section 48900. The parent/guardian has a right to request a hearing with the Superintendent/designee in order to appeal a suspension. Every effort will be made to hold a conference with the parent/guardian prior to the beginning of a student's suspension. Serious offenses may result in a recommendation for expulsion and a formal hearing process.

Bicycle Policy

Riding bicycles to school is discouraged for safety reasons. Bikes ridden to school are only allowed for students in grades 4th-6th. If you want your child to ride a bike to school, please see Ms. McKinny.

Problems and Concerns

Students with a problem or a concern should tell their parents, their teacher or any adult at school. The classroom teacher is usually the closest to understanding and knowing each student the best. All of us want to know when students have a question or are worried about something. We will try to listen and help to work out the problem. Students should also tell their parents when we solve a problem at school.

Parents should contact the child's teacher if the problem remains unresolved or if they have questions or concerns.

Birthdays and Parties

Class parties are periodically planned by teachers with the help of class parents. Occasions such as holidays or a special class achievement are often celebrated.

We do not allow children to pass out invitations to birthday parties at school. Children who bring invitations to be passed out will have them returned home intact. This activity detracts from the business of school and hurts feelings. However, these restrictions will be waived if the whole class is invited to the party because the party includes everybody and builds a sense of community. Please let the teacher know in advance so a time can be set aside to hand out invitations.

Everyone loves a party and student birthdays can be recognized! If your child would like to send a healthy treat to school in honor of his or her birthday, please notify the teacher in advance. Please provide as healthy a treat as possible. Be considerate of any children in your child's class with allergies by providing something for that student, also.

Another nice way to honor your child on his/her birthday is to donate a birthday book to the school library. It is suggested that you call the school office prior to the purchase in order to select a book that is not already in our library or send a cash donation and the librarian will make the selection.

Registration

A child may enter kindergarten at the beginning of a school year if he/she is five years old by September 1 of that school year.

Birth certificates (for kindergarten registration) and immunization records must be shown at the time of registration.

The following are the state's minimum requirements for immunization before a child will be allowed to enter school (grades K-12).

Polio—4 doses, but 3 doses if last dose was given on or after the 4th birthday

Diphtheria, Tetanus and Pertussis (DTP)—5 doses, but 4 doses if last dose was given on or after 4th birthday.

Measles, Rubella, Mumps (MMR)—2 doses of measles, both on or after first birthday, and at least one dose of mumps and rubella

Hepatitis B—3 doses

Varicella—2 doses or doctor documentation of disease history.

New Law- SB 277

Under the new law known as SB 277, exemptions based on personal beliefs will no longer be an option. Personal belief exceptions filed before January 1, 2016 will remain valid, until your student reaches the next immunization checkpoint, which is 7th grade. You may also want to visit www.shotsforschools.org for additional information.

Attendance Policies

Absences Due to Illness

The state no longer provides funding for absences due to illness. In times of such tight budget constraints loss of dollars is a real hardship on our little district.

Please call the office to report your child's absence THE DAY YOUR CHILD IS ABSENT. Ed. Code 48205, states: Students absent from school for any excusable reason, shall be allowed to complete all assignments and tests...the tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the student missed during the absence.

Tardies

Students need to arrive at school on time. Students who arrive late disrupt their classroom and have a hard time settling in for the school day. Five minutes late every day equals 3 days of absence per year and 3 late arrivals (over 30 minutes) equals one day missed. Chronic tardies and absences will result in a meeting with superintendent and possibly SARB(student attendance review board) referral. Please make sure to check your child in at the office when they are more than five minutes late to school.

Early Departures

Should you need to take your child out of class before the end of the school day, you must sign him/her out in the school office. Advance notice of any early departure is always appreciated by the classroom teacher.

Phone Calls to Office

Please try to make after school child care and carpool arrangements before your child arrives at school. Please do not call the office regarding playdate pick ups. Your help in this area will greatly reduce the number of incoming and outgoing phone calls in the office each day. Because staff is limited in front office, there is no guarantee last minute messages can get to your child.

Lost and Found

Mark your child's clothing with his/her name. Lost and found clothes are placed on the clothing rack in front of the office. Please check it regularly. Unclaimed clothing will be donated to charity 3 to 4 times per year.

Calendar

The calendar is determined yearly by board action. Each family will receive a copy of the calendar and it is also posted on our website, www.hvesd.com. All holidays, vacations and staff inservice days are noted. Please use the calendar to plan any necessary child care and family vacations.

Medication at School

We are always happy to help administer short or long term medication to students. All medications are to remain in the original container, labeled with the physician's instructions and must be kept in the school office. A note signed by the parent must accompany the medication stating the student's name, dosage and time to be given. No non-prescribed medication will be given.

Absolutely no medication is to be kept in a student's back pack, lunch box or pocket. This is to protect your child and other children from accidentally misusing medications.

Illness at School

Parents will be called to come pick up their child should he/she become ill or injured during school. Please be sure the office has current work phone numbers for both parents. If we are unable to reach either parent we will call emergency numbers you have provided on the Student Enrollment Card. Please keep this information up to date.

Complaints--School Personnel

BP 1312.1(a)

The Governing Board recognizes its accountability to the public for the quality of the district's educational program and the performance of district employees. The district shall provide a process by which a complaint submitted by any person regarding an employee can be resolved impartially, expeditiously, and with minimal disruption to district operations and the educational program.

When a concern regarding an employee is presented during a Board meeting or to an individual Board member or employee outside of a Board meeting, the complainant shall be informed of the appropriate complaint procedure.

Any complaint regarding the Superintendent shall be initially filed in writing with the Board. The Board shall consult with legal counsel or appoint an appropriate agent to conduct the investigation.

The Superintendent or designee shall determine whether a complaint against any other employee should be considered a complaint against the district and/or an individual employee, and whether it should be resolved by the district's process for complaints concerning personnel and/or other district procedures. Any complaint of child abuse or neglect alleged against a district employee shall be reported to the appropriate local agencies in accordance with law and BP 5141.4 - Child Abuse Prevention and Reporting. Any complaint alleging that an employee engaged in unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) in district programs and activities shall be filed in accordance with BP/AR 1312.3 - Uniform Complaint Procedures. Any complaint by an employee, job applicant, volunteer, intern, or independent contractor alleging unlawful discrimination or harassment by an employee shall be filed in accordance with AR 4030 - Nondiscrimination in Employment.

(Any complaint subject to this policy and the accompanying administrative regulation shall be investigated by the principal, the employee's immediate supervisor, the Superintendent or designee, legal counsel, agent of the Board, and/or other appropriate person who is not the subject of the complaint or subordinate to the employee charged in the complaint. The complainant and the employee shall have an opportunity to present information relevant to the complaint.

A complaint that is filed anonymously may be investigated by the Superintendent or designee depending on the specificity and reliability of the information.

If a complainant requests confidentiality, the Superintendent or designee shall inform the complainant that the request may limit the district's ability to investigate the employee's conduct or take other necessary action. However, the Superintendent or designee shall take all reasonable steps to investigate and resolve the complaint without divulging the complainant's identity.

The Board prohibits retaliation against complainants.

Appeals

If either the complainant or the employee submits an appeal of the Superintendent's decision to the Board, the Board shall determine whether to uphold the Superintendent's decision without hearing the complaint, appoint an appeals committee to advise the Board, or hear the appeal itself.

If the Board decides to hear the complaint, the matter shall be addressed in closed session in accordance with Government Code 54957 unless the employee requests that it be heard in open session. The Board shall review the original complaint and additional information provided by the Superintendent or designee regarding the steps taken to resolve the issue.

The Board's decision shall be final.

All parties to a complaint, including the school administration, may be asked to attend a Governing Board meeting or part of such meeting for the purpose of presenting all available evidence and allowing every opportunity for explaining and clarifying the issue.

Complaints concerning an employee shall be addressed in a closed session of the Governing Board unless the employee requests that the issue be addressed in open session. (cf. 9321—Closed Sessions)

NOTE: The Governing Board should make sure that complaints heard in Closed Session are indeed complaints against an employee, not against district practice or procedures.

The decision of the Governing Board following the hearing shall be final.

Williams Uniform Complaint Procedures

Notice to Parents/Guardians: Complaint Rights

Parents/Guardians: Education Code 35186 requires that the following notice be posted in your child's classroom:

1. There should be sufficient textbooks and instructional materials. For there to be sufficient textbooks and instructional materials, each student, including English learners, must have a textbook or instructional material, or both, to use in class and to take home to complete required homework assignments.
2. School facilities must be clean, safe, and maintained in good repair. Good repair means that the facility is maintained in a manner that assures that it is clean, safe and functional as determined by the Office of Public School Construction.
3. To file a complaint regarding the above matters, complaint forms can be obtained at the principal's office, district office, or can be downloaded from the school district's or California Department of Education's website.

Uniform Complaint Procedures

General Information

School districts are required to have uniform complaint procedures in place for the purpose of addressing complaints alleging unlawful discrimination based on age, sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability in any program or activity that receives or benefits from state financial assistance. Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs.

The Happy Valley Elementary School District is primarily responsible for compliance with federal and state laws and regulations governing all of the subjects listed above. If anyone has a complaint alleging discrimination based on any of the areas listed in the first paragraph the person must file the complaint in writing with Happy Valley Superintendent/Principal, Michelle McKinny. Com-

plaints must be initiated not later than six months from the date the alleged discrimination occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination. The review of the complaint will be completed within sixty calendar days, and the person filing the complaint will receive a written report of the district's investigation and decision. The complainant has a right to appeal the school district's decision to the California Department of Education within 15 days of receiving the school district's written decision.

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

Board Policies are on the Happy Valley School Website at www.hvesd.com

Title IX

Happy Valley Elementary School District prohibits discrimination, harassment, intimidation, and bullying based on actual or perceived ancestry, age, color, disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. This applies to all acts related to school activities or school attendance within a school under the jurisdiction of the superintendent of the school district. School personnel are required to take immediate steps to intervene when safe to do so when he or she witnesses an act of discrimination, harassment, intimidation or bullying.

(EC section 200, 220, 221.5, 234.1 260; GC section 11356; PC section 422.55; CCR section 4900, 1902, 4960)

Complaints alleging noncompliance with this policy of discriminations should be directed to the Title IX coordinator: Michelle McKinny, Superintendent/Principal (831)429-1456, E-mail Address: mmckinny@hvesd.com

Homework Expectations

The Governing Board recognizes that homework contributes toward building responsibility, self-discipline and life-long learning habits, and that time spent on homework directly influences students' ability to meet the district's academic standards. The Board expects students, parents/guardians and staff to view homework as a routine and important part of a student's daily life.

Consistent throughout the K-6 levels is a requirement to read, or be read to on a daily basis (Monday through Thursday) or weekly basis. The classroom teacher will inform parents of their homework practices and procedures within the first few weeks of each school year.

Parent involvement, especially with primary level students (K-3), is strongly encouraged. At any level, when a parent is interested and involved, homework can become a common goal, a time to work together and offer the individual instruction not always available at school. Taking an active role lets the child know that the parents/guardians consider the work important.

Dress Code

1. Shoes must be worn at all times. No flip flops for P.E.
2. Clothes shall be sufficient to conceal undergarments at all times. See through or fishnet fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid thigh are prohibited.

Emergencies

An emergency can generally be defined as a situation where it is either unsafe or not possible to get children home from or to school because of earthquake, falling aircraft, explosion, severe power failure, falling trees, snow and/or rain which make roads impassable.

At School

Staff will remain at school until all children are released to go home or to emergency homes. No child will be released, including walkers, until it is safe to do so. Teachers will be responsible for accounting for each child in his/her class. If school buildings are unsafe to occupy, children will be assembled by class in open outdoor areas. The aid of the fire and sheriff departments will be immediately sought. First aid and emergency care will be given. All staff members are certified in first aid and CPR.

En Route to School

In case of earthquake or other similar emergency, children are to stay with car pool drivers until the driver is able to safely deliver children to school or parents. If students are walking to or from school they should follow the "duck, cover and hold" procedure and after the earthquake or similar emergency continue on to their destination.

How You Can Help

Discuss this information thoroughly with your child. Make certain the school has your correct address and phone number (including work numbers). Keep this information up to date in the school office. Safety for all children is one of the District's top priorities. Under some circumstances, school cannot open due to loss of utilities (water, heat, and/or electricity), severe weather, or dangerous road conditions. When this happens, the District will contact Santa Cruz County Office of Education and they will contact local radio and television stations. Please tune in to one of the following stations for school closures:

KPIG FM 107.5 (Radio)
KSCO AM 1080 (Radio)
KION AM 1460 (Radio)
KUSP FM 88.9 (Radio)

Happy Valley School Code of Conduct

At Happy Valley School we strive to create a learning environment based on mutual respect and understanding where everyone feels safe and happy. We expect everyone in our school community to observe the following Code of Conduct:

1. Listen to others attentively with your ears, your eyes, and your heart.
2. Respectfully follow directions the first time they are given. Ignoring requests or arguing with teachers or other adults is not acceptable behavior.
3. Everyone likes to play. Take turns, include everyone, and be kind to each other.
4. Always be polite and use good manners. Do not interrupt conversations. Remember to say please, thank you, and excuse me whenever appropriate.
5. Respect everyone's feelings and differences by being respectful with your words. Swearing and rude talk towards others are prohibited. Teasing, name-calling and put-downs are hurtful, and are not allowed.
6. Respect everyone's personal space. Pushing, bumping into others, or other rough physical contact is not permitted.
7. Respect everyone's right to feel safe at school. Hitting, fighting, or threatening someone is not allowed.
8. Respect the property of the school and others. Always turn in lost items to the office.
9. Use the conflict resolution strategies you have learned when a disagreement or a problem happens.
10. No weapons (including pocketknives) of any kind are allowed on the school grounds.

Adopted by the HVS Board of Trustees 12/13/04

FIELD TRIP SUPERVISION GUIDELINES

1. You are responsible for the safety, learning, and enjoyment of the children in your assigned group. Please do your best to focus on the children. Keep them safe at all times, help keep them engaged in the activity, and talk to them about what they are experiencing/learning.
2. Always stay with the children that are assigned to you. Even if one of the children in your group wants to be with a buddy in another group, you must be close to, and watch all the children in your group. Do not let children wander more than a few feet from you.
3. Please ensure that all children of your group are behaving appropriately, using manners, and are following rules at the field trip location. If you have any behavior issues with a child in your group, contact the teacher immediately for support.
4. Please use cell phones only in an emergency.
5. Please follow and respect any rules or agreements regarding the particular field trip on which you are going. (Example: If children are not allowed to purchase snacks or souvenirs please do not buy treats or allow children to buy anything on the trip. Please do not allow students to purchase toy weapons or other inappropriate items.)
6. RESTROOM GUIDELINES: Your entire group must be escorted to the restroom, even if only one student needs to go. Check the restroom before children enter to make sure it is safe. Try to keep an eye on the children inside while you are with the children outside. (Remind children to use the bathroom before they leave school.)
7. Alcohol, tobacco or any illegal substances are not permitted on any field trip.
8. Participation in a field trip is limited to HVS students enrolled in the classroom going on the field trip. Younger and/or older siblings are not allowed to go on field trips.
9. Please have fun and enjoy this special learning experience with the students of Happy Valley School!

Thank you for your participation and help. You make it possible for us to provide valuable field trip experiences.
