

Happy Valley School Pick Up Procedures

In an effort to keep traffic flowing and maintain an orderly pick up, the following new procedures have been developed.

Students in grades 1-3 will be dismissed at 2:25. Their teachers will walk students to their designated areas where they will drop their bags. Students will be able to play on the play structure and blacktop, but we ask that the students stay away from rooms 1 and 2 as instruction continues until 2:55pm. At 2:40 a teacher will join the teacher currently on duty and ask the students to be seated at their spots. Parents of 1st through 3rd grade students, please pick your child up between 2:25 and 2:45. If you have upper grade students and want to get here early, please park your car. We cannot have the line backed up with cars waiting in the front for their upper grade children. Students will raise their hands when they see their parents and the teacher on duty will call them to their car.

Upper grade students are released at 2:55 and they will sit in their designated areas. Again, parents will come up the drive, and when your child sees you, will indicate with a raised hand, and the teacher will call them to the car.

If you want to park and then play after the cars have left, we invite you to do that, however, we cannot have children play while the others are sitting and waiting for their cars.

Thank you for your support and cooperation with this.
