

HAPPY VALLEY ELEMENTARY SCHOOL PARENT CLUB ANNUAL COMMITMENT SHEET

Dear HVS Families – It is no accident that Happy Valley continues to be the best elementary school in the county and one of the top schools in the state. With our staff of exceptional teachers and administrators working in a small school environment, the school provides the students with an education that is second to none. What else makes Happy Valley so special? It is the **ONLY** school in the county that has an aide in each classroom, a Garden Program, a Library Program and a superior Art and Music Program.

As with most things, it requires time and money to keep these programs that we cherish intact. The Parent Club is able to provide the aforementioned items, along with facilities improvements and endowment fund contributions through two different avenues: Community Events and Donations.

This is where you come in! The only way that the Parent Club can make this happen is with YOUR help:

DONATE!

The more money we collect in donations, the less work we all have to do holding fundraising events. This is why **we ask that each family make a financial commitment.** Our fundraising goal for this year is \$100,000, which equates to \$900 per student.

You can now make a one-time donation
or set-up a recurring monthly or quarterly donation on our website at:

www.happyvalleyparentclub.com/donate.html

Please complete the reverse side of this form and return it to the office as soon as possible.

VOLUNTEER!

This is the best way to meet new people and feel like part of the action! We ask that each family volunteer in 2 areas.

See our website at www.happyvalleyparentclub.com and scroll on the left to "VOLUNTEER". There you will find descriptions of each role including time commitments and also "Sign Up Today" where you can pick your volunteer slots.
